RE: Public Records Act Request No. 2019-00232

Dear Mr. Fisher:

This letter responds to your email request for the following records pursuant to the Public Records Act (Gov. Code, § 6250 et seq.):

All emails sent to, from, or copied to Kamala Harris, from January 1, 2010 to December 31, 2013, containing the name "Daniel Larsen" or "Larsen," as well as any emails that contain reference to "Daniel LARSEN, Petitioner–Appellee, v. John SOTO, Respondent–Appellant" or case number "D.C. No. 2:08-cv-04610-CAS-SS."

Your request was received on February 8, 2019. For the reasons discussed below, this office is extending the date for responding to your request by 14 days, to March 5, 2019.

Agencies are required to respond to requests under the Public Records Act within 10 days, but may extend the deadline by up to 14 days under specified circumstances. (Gov. Code, § 6253, subd. (c).) These include:

1. The need to search for and collect records from field offices or other facilities that are separate from the office processing the request.
2. The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request.
3. The need for consultation, which shall be done with all practicable speed, with another agency having a substantial interest in the determination of the request, or among two or more components of the agency having substantial subject matter interest therein. (*Id.*)
